EXTENSION PROGRAM SPRING QUARTER

MISSOULA--

A graduate course in education entitled "Adult and Continuing Education" (Ed 630) has been added to the spring quarter night courses being offered on campus through the University of Montana Division of Extension and Continuing Education.

Mrs. Anne Dwelle (pronounced Dwellee), assistant to the director of Extension and Continuing Education, said the new course will be taught by Robert Anderson from 7-10 p.m. Thursday in room 104 of the UM Liberal Arts Building. Registration for the three-credit course will be at 7 p.m. this Thursday in the classroom.

Mrs. Dwelle said the meeting place of another extension course--"Seminar: Topics in Mathematics for High School Teachers" (Math 399)--has been changed from the UM campus to room 224 at Hellgate High School. The math class meets from 7-10 p.m. Thursday instead of Monday, as previously scheduled.

Five extension courses have been canceled and a total of 17 are being offered spring quarter on the University campus. Most of the courses are offered Tuesday, Wednesday and Thursday nights during the quarter.

Additional information about the extension program may be obtained by phoning Mrs. Dwelle at 243-5073 on campus.
